Startup Weekend

Startup Weekend is TechStars' 54-hour weekend hackathon, backed by Google For Entrepreneurs, and has a global coverage of more than 150+ countries, with chapters set up in more than 1800+ cities. It is a networking-centric hackathon wherein participants transform an idea of theirs into a Minimum Viable Product with assistance from mentors, and present it to the jury on the last day.

The 3rd edition of Startup Weekend Pilani is about to be held between 23rd and 25th February. The schedule for the same is as follows:

Friday

- Inauguration
- Idea Pitching
- Team allotment

Saturday

- Product Building
- Mentoring

Sunday

- Product Pitching
- Q&A Session
- Award Ceremony

The perks include **$300** in credit from **Google Cloud Platform** to help build mobile and web apps, a **free dot(CO) domain** and access to a lot of community benefits and discounts.

Startup Expo

The Startup Expo is an amalgamation of some of India's finest hardware startups. The Expo is based on a synergy-centric model, wherein the entrepreneurial folks of Pilani would draw insights from the learnings of the founders and the startup benefits from the welcome publicity, thereby adding value to the fraternity. The Expo shall witness stalls being put up by the respective startups, exercising their space to showcase their products, widen their outreach, and conduct workshops and internship fairs. Startups participating in the Expo would also be offered resources and an opportunity to participate in a workshop, conducted by AngelHack on 'Basics of Angel Investing'.

If you want to apply for a stall during Expo, then please contact esummit@bits-apogee.org.
